WORK EXPERIENCE

MOVEMENT MORTGAGE, Fort Mill, SC

05/2013 – 04/2022

Mortgage Underwriter (10/2015 – 04/2022)

- Generated \$1M in revenue in one month, after being chosen to manage former niche products that became popular suddenly
 - Developed and delivered training to [how many team members], who ultimately sold tens of millions of dollars monthly.
- Worked closely with Loan Officers to facilitate loans being underwritten and approved as fast as possible
- Ensured Government and company guidelines were met for all loans.

Loan Processor (05/2013 – 10/2015)

- Communicated clearly and frequently with nine different teams to meet SLA times with 85% success rate

ELEVATION CHURCH, Charlotte, NC

Database Manager

05/2013 – 10/2015

- Supervised teams of up to a dozen individuals to effectively organize, coordinate, and deploy contracted services
- Performed complex data extraction/analysis for multiple projects
- Led teams remotely, facilitated work sessions to resolve issues, and conducted meetings to gather requirements
- Liaised with IT, business leaders, senior managers, and HR to translate global initiatives into functional strategies
- Managed monthly project team meetings, targeted milestones, and gathered progress updates for clients
- Designed innovative data collection and reporting processes for project management teams and reporting departments, saving hundreds of hours each month and allowing for more in-depth data analysis
- Provided quick responses to *ad hoc* requests for information from management and analysts to meet deadlines

EDUCATION

B.S. Business Administration, University of North Carolina at Charlotte, NC, 2012

Full-Stack Web Developer, Career Foundry, 2024
